Dear Ms. Santa,

Congratulations! You have been selected to work remotely facilitating a Spanish after school club. I am very excited to see this program continue! Our students are very lucky to have such an enthusiastic teacher like you bring this program to them.

This program will be held remotely this year either from the school building and/or from your home. The program will run every Tuesday and Thursday from 2:30 – 3:30 PM, for grades 4 and 5. You are also entitled to one hour of planning time to help you prepare for this club. Attached is an OP 175 that you have to fill out and return to AnnMarie Tacopino.

Thank you for sharing your talents with us!

Sincerely,

**Bayan Ebeid-Cadotte
